## RULES OF PROCEDURE

### Regular Meetings

4. Regular meetings shall be held on the last Monday of September and on the Monday preceding the second Friday of October, November, December, January, February, March, April, May and June, except when such Monday is a public holiday, in which case the meeting shall be held on the following Tuesday.

5. The meeting in October shall be the inaugural meeting of the year, and at this meeting the appointment of a committee to strike the standing committees shall precede all other business.

6. A special meeting may, and on requisition of not fewer than twelve members shall, at any time, be called by the chairman, on not less than twenty-four hours' notice, for the transaction of such business only as may be specified in the notification of such meeting.

7. (1) At all regular or special meetings twelve members of those entitled to vote shall form a quorum.

(2) At special meetings for routine business during the long vacation three members of those entitled to vote shall form a quorum.

8. At every meeting the President, or in his absence the Dean, shall preside as chairman, or in the absence of both, a chairman shall be chosen by the members present entitled to vote, or a majority of them.

9. The chairman of each meeting shall conduct the proceedings in conformity with the rules of order enacted by the Council, and in all cases not so provided for, the practice of the House of Commons of Canada shall govern.

### Debates and Divisions

10. Any member desiring to speak during a meeting of the Council shall address the chairman.

11. A member called to order shall sit down, but may afterwards explain; the chairman shall decide the point of order, subject to an appeal to the Council, which shall decide the case, but without debate.

12. No member while speaking shall be interrupted by another, except upon a point of order, or for the purpose of an explanation and the member so interrupting shall confine himself to the point of order or the explanation.

13. Any member may require the question under discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

14. With the exception of the proposer of a substantive motion, who shall be allowed to reply, no member may speak more than once to a question, unless in explanation of a material part of his speech in which he may have been misunderstood, and then he must not introduce new matter.

15. The chairman may take part in a debate on any subject, but before doing so he shall leave the chair and appoint some other member to occupy it until he has spoken.

16. No member shall speak to a question after it has been put by the chairman.

17. All questions which come before the Council shall be decided by a majority of the members present entitled to vote, subject to the provisions of section 36; but in the case of an equality of votes the question shall be deemed to be negatived.

18. The chairman may vote on any question, but no member shall have more than one vote.

19. The chairman shall declare the result of every vote, and on any question except a motion to adjourn the Council or a debate, any member may require the yeas and nays to be recorded.

### Motions and Questions

20. No matter once disposed of shall be reconsidered before the next inaugural meeting, except by a two-thirds vote of the members present entitled to vote.
